

# INTERNATIONAL WOMEN'S ARTISTIC GYMNASTICS CONFERENCE

Gothenburg, 31 October – 1 November 2016

## The Future of Women's Artistic Gymnastics

Photo: 2C Foto/Christian Thomassen

You are kindly invited to join the 2016 'Future of Women's Artistic Gymnastics' conference. An international panel of scholars from Australia, Brazil, Canada, England, Holland, New Zealand, Portugal and Sweden will present their latest social science research into gymnastics. Roundtable discussions will connect researchers and practice stakeholders. The main objective of the conference is to discuss current issues and to identify future research needs, which the researchers intend to address in a joint international project.
